
crossepg in aaf

Posted by thor - 2010/02/16 03:38

I am having problem getting CrossEpg working in the latest aaf_olympiainage flash image.
Can somebody verify please that it works for him.

But EPGImport V07 works... <http://www.aaf-board.com/wbb2/thread.php?threadid=40976>
EPG for 1 week
